To the Class of 2012—

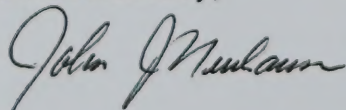

On this day of your Commencement, it is with great pleasure and pride that I congratulate each and every graduate of the Class of 2012. You have achieved much through your hard work, commitment to learning, supportive relationships with each other and a genuine desire to succeed.

I also wish to express my deep gratitude to the faculty and staff of Saint Michael's for their enduring dedication to the College and to the Class of 2012. Their involvement has been integral to the process of your lifelong education. In turn, the institution has benefited from your presence during the past four years. This volume of the *Hilltop* will always be a positive reminder of and tribute to our shared experiences from your years here at Saint Michael's College.

It is my earnest hope that your Saint Michael's experience will continue to enrich your lives far into the future. You have my best wishes for success in all your endeavors.

Once again, congratulations!

Yours sincerely,

John J. Neuhauser
President

2012 Hilltop Dedication

The year's Hilltop Yearbook is dedicated to retiring Vice President of Student Affairs/Dean of Students

Michael D. Samara.

Mike has been Vice President of Student Affairs and our Dean of Students for 35 years. During his tenure as the first and only Dean of Students (prior to that it was the Dean of Men) he pioneered and implemented most of the student centered policies and procedures that the College now accepts as just a "standard of care." Mike's passion for accepting students at "where they are" and assisting each of them to a higher level of involvement, of accepting responsibility and supporting this community is much appreciated. His "teachable moments" philosophy permeate this entire community and we all have benefitted from his dedication to finding the best in each student, each interaction and each area of the college he supervised. He witnessed a great deal of transition and implemented many student centered initiatives/offices. Including student activities, new student programs and multicultural student affairs to support student learning, leadership development and co-curricular experiences.

Through his time at Saint Michael's he has seen the "best and the worst" in student life and has held the community together in both celebration and sorrow.

Mike truly embodies the notion that "values are caught, not taught" there is an absolute symmetry in what he feels, how he thinks and what he says and does. Mike has a personal priority of being "other centered" and consistently offers witness to this priority by his strong sense of caring and social justice. One of the quotes that Mike is famous for sharing is to envision yourself as a pencil "...in the hand of a writing God, who is sending love letters to the world." by Mother Teresa of Kolkata. This quote exemplifies how Mike is in this world as a man of faith and his influence has been felt by the thousands of students who have come to Saint Michael's College.

The Class of 2012 is truly privileged to have had the opportunity to be at Saint Michael's during his tenure, and is honored to dedicate the yearbook to him and his legacy of care and love for the students of Saint Michael's and all that he has contributed to their growth and development

This past field hockey season will be one we will never forget. The four seniors led the team in establishing a close-knit family amongst the 24 players. Although we ended the season with only four wins, our record didn't reflect the hard work and heart that was put into it. The team saw much improvement as the season went on, and whether or not we made it to the tournament came down to our last game. Although we fell short in our last game, we ended the season with pride and with long-lasting friendships that will continue even after we've graduated. - **Megan Hill and Jenny Boudrow**

Our team is so unique because of our perseverance and team camaraderie. When dealing with a group of 26 people, it might appear that personalities differ and could create conflict, but our team respects each others differences. Over the course of the season, we have overcome a lot of adversity, but still remained a unified team. We are all truly friends and genuinely care about the well-being of one another. We have 26 completely distinct individual personalities, but we have created an atmosphere which allows everyone to be accepted as equals.

Even in the off-season we all remain extremely close. - **Matt Smith**

The 2011-2012 men's basketball team featured two seniors, three juniors, a sophomore and six freshman, leading to a team with much youthful energy combined with upperclassmen experience. Unfortunately the team did not have the success that its talent level ought to have provided, however the foundations are in place for the 2012-2013 season, which looks to be extremely promising. - **Tom Ward**

This year the team was a big success. The team finished 12-15 with a few major highlights throughout the season. We pulled through at the end of the season defeating conference rivals St. Anselm's College and Southern New Hampshire University to make it into the NE-10 Conference Tournament. The team battled hard, but lost a nail-biter to the College of St. Rose by just two points. The hard work paid off throughout the season as the team also did a large amount of fundraising for their team trip to Ireland in May. It was a great send off for the three graduating seniors Samantha Steinmetz, Coreen Hennessey, and Caitlin Quinn. The team was also able to congratulate two of our coaches, Coach Neibling and Coach Jackson, as their wedding engagements happened just before the season. It was an all around success for the St. Michael's women's basketball team and the goal is only to continue this success. - Caitlin Quinn

The lady Knights alpine ski team posted some exciting individual results this winter. Two of our athletes, Christina Billotti and Gabrielle Hall were on the cusp of qualifying for the NCAA championships. Each of these ladies consistently placed in the top-30 in the giant slalom competitions as well as posting some exciting top-10 runs. Every member of the women's team competed for the Knights in EISA competition. We had some great leadership and team spirit from senior Ashley Langlands and rookie Shannon Conroy posted some impressive top-30 results in the slalom events. Kelsey Redden, Kerstin Middleton and Heidi Robbins also scored for the Purple Knights throughout the season. The SMC women's alpine team will be one to watch out for on the EISA circuit in the future! - **Heidi Robbins**

"The Men's Ice Hockey team was young this year, but where we lacked experience, we more than made up for it in a great senior leader. We came together as a family this year, and although next season we will miss our only senior, Brady Earle, we are excited to return to the ice with an almost identical squad of players. Thanks for a good year BROS!" - Dan Evarts

2012 marked the first season that we would be back playing in the Northeast-10 Conference. This was a move that had everyone excited, though we also understood the challenges of playing in such an elite baseball league. Paired with the coaching change that had Matt Rodovic taking over, we were in for a year of transition. Though the wins and losses were not what anyone would be happy with, the year was a big success in a lot of ways. We won our first conference game since 1998 and laid the foundation for this program to be successful in the future. - **Bryan Geary**

The SMC Men's Tennis Team was awarded the "Most Fun Team in the NE-10" by a board of official judges. Take that how you will, but the team has one of the best rapports in the program's history, and head coach Kevin Lizzo's laid back style has helped keep the team relaxed and content, while still leading the program to a 4-1 fall season record, and a possible playoff berth. The team is led by sophomore standout Nick Bosco, who battles at the teams first singles position, and holds his own week in and week out against the best competition in the league. Though the spring season was tough, and the team missed the contributions of junior Chris Moskal who studied abroad in South Africa this spring. The team graduates co-captains Sam Cieplicki of South Burlington, VT and Brian Healey of Ware, MA. - **Brian Healey**

¡Felicitaciones por tu esfuerzo, dedicación y constancia! Sabemos y valoramos tus trasnochos, la dura lejanía del hogar, de la familia y de los amigos, por eso nos sentimos orgullosos de ti y deseamos que Dios continúe derramando sus bendiciones para que alcances con éxito todas las metas que te fijes en la vida.

Ahora es cuando comienza el camino...

Te queremos mucho. ¡Adelante!.

Letter From the Editors

Congratulations Class of 2012!

In making this edition of the Hilltop, we hope it will serve as a reminder of your time spent at Saint Michael's College. Throughout the process of creating this yearbook, it has been a pleasure to see the memories you have all created and experienced. Through all the photo submissions and captions we have been able to see the true friendships you all have made. One thing we have realized is what a united class you have grown to be through humble beginnings to unknown endings.

As editors, we want to wish you the best of luck in your future endeavors. As well as thank you for your leadership, service to our community, and support. We have discovered the impressive caliber of student who attends Saint Michael's. It is refreshing to know that we are surrounded by activists, athletes, writers, scientists, leaders, musicians, and countless others who bring out the best in everyone and shows what it truly means to be a Purple Knight!

When you turn these pages, we hope where ever you may be you will be able to look back on this time and book fondly. We have tried to fill it with what makes this school great: all of you. Congratulations seniors!
